PUBLIC NOTICE

The Town of Buchans is endeavouring to fully support the COVID-19 actions taken by the Federal and Provincial Governments, as well as the health authorities, both in actions and in spirit. Undoubtedly, the number one priority for all parties and individuals now is to stop the spread of COVID-19.

Effective immediately, the Fire Hall, Re-Cycling Center and Town Depot will be closed to the public until further notice.

The Town Office will only be open to the public for the payment of tax bills. To accommodate the need for physical distancing of 6 feet, please call ahead to make an appointment. All other matters should be directed to the town office by telephone at 672-3972 or by email at townofbuchans@nf.aibn.com. Staff will be answering the phone and responding to emails during regular office hours.

Maintenance staff will be providing essential services as in the past while abiding by the rule of social distancing.

Of course, any resident requiring the services of the fire department or ambulance service should call 911.

Residents are urged to follow the Department of Health guidelines:

- Stay home and away from others.
- Practice good hygiene of regular handwashing and hand sanitizing.
- Maintain the physical distance of 6 feet.

With all of this in mind, let us remember that as members of the Buchans Family we have obligations to our fellow citizens and, with safety always in mind, we always remain prepared, as Buchaneers, to reach out to any resident in need. We will get through this together.
